What We Believe

Would you give your life for a cause you didn't fully understand? Unfortunately most professing Christians don't know what they believe, and so can neither understand nor defend the Christian faith—much less live it. This is a course that will clarify for us some of the fundamentals of "the faith that was once for all entrusted to the saints." Jude 3. Among

the topics that will be discussed are: God; The Creeds; Postmodernism; Truth. This is a great follow-up to **Foundations of the Faith**.
